

## **MBRB Crossbow Policy**

The use of a crossbow in any and all MBRB special hunts is limited to those who are 60 years of age and older or for those who have a medically documented physical disability which precludes them from using traditional archery equipment or a compound bow. Hunters must also hunt from an elevated stand.

Hunters who are within the above outlined guidelines and have been drawn as a primary or alternate for a hunt, who will be using a crossbow please know that; **you are required to bring proof of either (1). Age or (2). A medically documented disability, to Orientation.**

Failure to provide the required information at Orientation will result in your dismissal from the hunt you were drawn for. This documentation must be presented the night of Orientation to your hunt Coordinator; no exception.
